

Master's Degree in Education of the Gifted

University of Northern Iowa

UNI is now offering the master's degree in Education of the Gifted at a distance through online and ICN (Iowa Communications Network) courses. The chart below shows the courses involved. The four courses for the endorsement are part of the master's degree.

A discussion of the application process and the online form is available at:
<http://www.grad.uni.edu/admission/application-process>

Program Coordinator:

Dr. Audrey Rule
