COST: \$230

EDMA 299:702 CRN 5910 (2 cr)

Course Title: “Reaching for the Future” ITAG 2014 Conference

Attendance of the full ITAG Conference

Summaries of each session attended both days

Two projects in gifted education related to the conference theme and keynote

Iowa TAG Endorsement: The conference counts for the **Psychology** or **Programming strand**.

Course Description: This course will help you challenge the gifted learner through application of theory, research, and practical experiences as a result of attendance, observation, and/or interaction with conference keynote speakers and other break out session presenters. Experts in the field of gifted education, as well as experienced educators from across the state, will present on successful practices, significant issues, and theoretical guidelines related to serving the varied needs of gifted and talented students. Conference strands include creativity, curriculum for G/T learners, gifted essentials, social/emotional issues, and special populations.

Iowa Gifted & Talented Endorsement ENDORSEMENT NO. 107 IAC 14.140(13) Accepted for all TAG Certification Programs
