#### Call For Proposals

Iowa Talented and Gifted (ITAG) is seeking presenters to share their expertise and insights related to gifted education. Successful presenters, teachers, coordinators, administrators, and parents interested in providing engaging sessions for participants are encouraged to send in proposals. **Proposals that focus on the topics bulleted above will take priority in acceptance.** If material is grade or level appropriate, please indicate that along with intended audience.

Please include the proposal information as it appears below **in an email** and send it to **Catherine Monroe** at [catherine.monroe@ames.k12.ia.us](mailto:catherine.monroe@ames.k12.ia.us). Use the “Copy” feature to duplicate the fields below and “Paste” it into a blank email. Fill out all requested information completely. Please complete a separate form for each presentation you are proposing. Do not mail or fax this as a document. **Proposals will be accepted through May 30, 2014.** If you have any questions, please call 515-817-0634.

**Presenter(s):** Last Name, First Name, Phone #'s, Email Address, Proposed Title (Ten Word Maximum)

**Connection to the conference theme:** Explain how your proposal connects to the conference theme of *Reaching for the Future* (20 word maximum)

**Proposal description:** 100 word maximum

**If the material is grade or level sensitive, please indicate:** Early Childhood, Elementary, Middle School, High School, All Levels

**Indicate your intended audience:** Teachers, Administrators, Coordinators, Parents, Mental Health Workers, Students, Other (specify)

**Indicate your intended experience level of audience:** Introductory, Intermediate, Advanced
