

**Join Us for the ITAG Book Club Session!**  
**Monday, October 15, 2018**  
**2:10-3:10 (Session 4) in the Ballroom South**

Katie Welker is used to being alone. She would rather read a book than deal with other people. Other people don't have silver eyes. Other people can't make things happen just by thinking about them!

But these special powers make Katie unusual, and it's hard to make friends when you're unusual. Katie knows that she's different but she's never done anything to hurt anyone so why is everyone afraid of her? Maybe there are other kids out there who have the same silver eyes . . . and the same talents . . . and maybe they'll be willing to help her.

**The book club session will be an informal discussion about the book**

***The Girl with the Silver Eyes* by Willow Davis Roberts.**

**Recommended by *Hoagies*, this text is a great way to connect with others in a more interactive session. Please note that this a session this year and not a separate nighttime event. Participants will need to purchase and read the book prior to attending.**
